

Catholic Schools Week 2019

The theme for Catholic Schools Week 2018 is "Catholic Schools: Learn. Serve. Lead. Succeed." encompasses the core products and values that can be found in Catholic schools across the country. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, we, as educators, are growing with them. In Catholic schools, we are all learners, servants and leaders. These shared qualities are what make Catholic schools work. They are what make Catholic schools succeed.
