2018 ONEG ALTERNATES

The responsibilities of an alternate family are very important. Just because you are listed as an alternate does NOT mean that you are not responsible to help host in an Oneg in 2018.

You may be called *at any time* during the year, but it would be most likely during the month to which are you are assigned.

If you are asked to substitute for a family, please do your *very best* to accommodate their need. As an active member of TOR, your assistance and support is much appreciated!
