

Ragbag WineWorks answers that nagging question: what do you drink when you want to drink delicious every day?

From the minds of Steven and Aidan Mirassou, 6<sup>th</sup> and 7<sup>th</sup> generation winemakers from America's oldest winemaking family comes Ragbag WineWorks. With a heart of fresh fruit and abundant acidity, Ragbag is the perfect partner to BBQs, picnics, poolside parties, sporting events, a quiet night at home, and that special celebration at your favorite restaurant. Wherever and whenever you drink delicious is the perfect place and time for Ragbag. *Ragbag WineWorks... making tastebuds dance!*

#### The Wine

Albariño checks all the Ragbag WineWorks boxes: it's delicious, full of flavor, has great acidity and goes with all kinds of food. It's the perfect grape for sunny days (originally hailing from the warm northern coast of Spain) just as it glows when the sun goes down! We love our wines too much to subject them to oak barrels so this first release was fermented and aged in stainless-steel to preserve all the flavor and liveliness that characterizes it.

#### The Vineyard

The 2017 Ragbag WineWorks Albariño was crafted from fruit grown on the spectacular, organically-farmed Terra Alta vineyard in Lodi. Harvested at low-sugar to maintain acidity and keep alcohol levels down, we did the absolute least we could do in the winery, preferring—instead—to make an honest, self-possessed wine having only what it needs...and nothing it doesn't!
