

SEDGEWOOD PLANTATION

ANNUAL REGISTERED ANGUS BULL SALE

Saturday, April 30 • 10:00 AM
Located at Sedgewood Plantation
2607 Virililia Road • Canton, MS

We will have approximately 35 thick, muscular bulls in our annual onsite bull sale. They are in good athletic condition after running all winter in a 150-acre cotton field. They also have more muscle and less fat since they were grown out on a lower energy ration. The bulls will average 18 months old and will weigh between 1400 and 1600 pounds.

ABOUT SEDGEWOOD

The Sedgewood Registered Angus program is built on 100% artificial insemination. No clean up bulls are used. Heat detection is done electronically by radio transmitters and monitored by computer using the HeatWatch System. The AI sires we use are carefully selected based on growth, milk, carcass traits, scrotal circumference, and docility.

BULL LISTINGS

The bulls will be listed on our website at

www.SedgewoodAngus.com

Call or email for a bull list, for directions to the farm, or if you would like to preview the bulls prior to the sale.

EMAIL CONTACT LIST

Please email us so we can add your email address to our contact file. This will allow us to notify you of any updates prior to the sale.
