

St George Flooring

St. George Flooring is Southern Utah's premiere flooring source for commercial and now residential flooring. We deal with the latest advancements in carpets, luxury vinyl and the new flexible natural Slimstone. With over 30 years combined service in Southern Utah we can help you pick the right flooring for your projects. We bring the flooring samples to you during your in-home measure. No more racks and racks of samples to sort through! We've already done that for you! Call today to schedule your FREE design assessment!
