

Atkin Draperies

We have been creating custom window coverings since 1963. We are a family owned and operated business with 170+ years of combined experience! We are a small operation of six individuals and have yet to tackle any job that is too large. From resorts in Las Vegas, homes in California, restaurants, motels, and residential homes, every job is custom crafted with our hands. We work with the public as well as designers and contractors. We offer custom window coverings; shutters, draperies, blinds, roman, roller shades, verticals, valances, cornice boxes, wood blinds, cellular shades along with custom upholstery, bedding and pillows.
