

# Rainbow Sign & Banner

For 28 years Rainbow Sign & Banner has been making St. George businesses look good with everything from banners and vehicle wraps to monument and pole signs. Locally owned and operated, we truly are a family business with more than half of our staff related to another person in the company.

Our commitment to high quality products coupled with fast, friendly service has helped us become one of Southern Utah's premier sign companies. We pride ourselves in our commitment to exceed customer's expectations while leading the industry in speed, quality and innovation.

Our team has one goal in mind...to get you noticed!
