

Triple-T Heating & Cooling

We perform repair service, maintenance and installation of HVAC equipment & products for both the residential & commercial markets. We were founded in 1974, with a branch in St. George and a second branch in Spanish Fork, our service area includes St. George to Salt Lake. We pride ourselves, knowing we have a highly trained staff that truly cares about our clients. Our employees honesty, Integrity & knowledge about the trade are what has kept us as a top HVAC service provider. We welcome the opportunity to provide service to all SUHBA members by offering 5% off on all of our services.
