In Australia and New Zealand, discovery awaits you at every turn, from their wildlife and sea life to urban life and everything in between. Say g'day to a koala. Gaze at the Sydney Opera House, and in New Zealand, witness the unspoiled beauty of the South Island's waterfalls and fjords. Explore the artistic and cultural legacy of the Maori peoples and leave with a deeper understanding of these downunder lifestyles.

The South Pacific islands are the definition of paradise, and the abundance of wildlife is sure to capture your lust for adventure. Beaches of warm, powdery white sand and aqua waters are surrounded by tropical rainforests and soaring mountains. The world's second-largest double barrier reef surrounds the islands of New Caledonia, with a kaleidoscope of fish and sea-life. Majestic humpback whales glide between the islands. A cruise of your dreams.
