

SAY YES TO PHLpreK - SUPPORT OUR KIDS!

The soda tax is building the Philadelphia families want, pennies at a time.

- Almost 4000 students and families have participated in PHLpreK at 80+ pre-K locations across Philadelphia.
- The tax ensures that the benefits of high-quality pre-K are extended to those who need it most.
- More than 200 new teachers have been hired at early childcare centers, two-thirds of which are owned by women and minorities.
- The tax also supports safer playgrounds, restored rec centers and renewed libraries.

But the soda companies aren't giving up. They are spending tens of millions of dollars to defeat the tax and protect their profits.

Now several City Council members have voted to amend or repeal the tax – which means we may lose the funding for our children's PHLpreK slots!

You have the power to make a difference!

1. Call your council member and tell them you support the sweetened beverage tax - it directly funds PHLpreK. *(member phone #'s on back)*
2. Sign up to testify at City Council on Thursdays. Call Khadijah at First Up (215-214-9698) or PCCY (215-563-5548) to learn how.
3. Attend your council member's public events and tell them that you support the tax.
